**OFFICE OF LEGISLATIVE COUNSEL**

**Tuesday - 7 January 1964**

1. [redacted] Talked with Representative Silvio O. Conte further on the case of [redacted] I furnished him with some of the reasons why the Agency did not believe [redacted] represented any potential asset for the Agency. After discussing this for some time, Mr. Conte said he was very appreciative of this additional information and indicated that he was now in a better position to deal with his constituent on this case.

2. [redacted] Talked with Representative Bob Wilson who gave me some documents and some oral information which had been given to him by a doctor on the West Coast who stated the Agency owed him some additional funds and also made very serious allegations concerning an Agency employee. I told Mr. Wilson I would look into this and advise. (This matter has been turned over to Howard Osborn for investigation)

3. [redacted] Talked with William Darden and indicated the Director wished the Chairman to know the Director was available for a briefing of the Subcommittee and it was pointed out that there are tentative plans for the Director to be out of town the last two weeks of this month. Mr. Darden said he would advise the Chairman. I also inquired of Darden the possibility of early hearings on the retirement bill and Darden indicated this was a matter which should be taken up with the Chairman.
